The Office of Postdoctoral Affairs invites you to an in-depth overview of the NIH Loan Repayment Program from the Division of Loan Repayment Director, Dr. Erika Boone. The NIH Loan Repayment Programs (LRPs) are a set of programs established by Congress designed to recruit and retain highly qualified health professionals into biomedical or biobehavioral research centers. The NIH LRPs pay up to \$35,000 annually of qualified educational debt in return for a commitment to engage in NIH mission-relevant research.

Applicants must hold an M.D., Ph.D., Psy.D., Pharm.D, D.O., D.D.S., D.M.D. D.P.M, D.C., N.D., O.D., D.V.M, or equivalent doctoral-level degree (except for the Contraception & Infertility Research LRP). The NIH LRPs will accept applications from September 1 - November 15. Visit the [LRP's Eligibility & Programs](#) page for the full eligibility requirements. Don't miss your opportunity to learn how you could receive up to \$70,000 in educational debt relief!

For more information, visit the [NIH Loan Repayment Program](#) website. For questions about this event, contact the Office of Postdoctoral Affairs at postdoc@email.wustl.edu.
