

## PEDIATRIC SPECIALTY CARE NOW AVAILABLE IN NORTH COUNTY

### We know how to care for kids.

Washington University pediatric specialists are now providing outpatient care to patients in Florissant and the surrounding North County areas. Our patient care teams are compassionate and committed to providing excellent care and support for our patients and families. Washington University physicians, nationally recognized for their pediatric care, offer the following specialties in an environment dedicated to kids and teens:

- **Adolescent Medicine**
- **Allergy/Pulmonology**
- **Cardiology**
- **Endocrinology/Diabetes/Metabolism**
- **Gastroenterology**
- **Genetics**
- **Hematology**
- **Nephrology**

*Conveniently located off I-270 at Graham Road.*
