

Arnold and Mabel Beckman Foundation Young Investigator Program Q&A

An informational Q&A session, led by previous Beckman Foundation Young Investigator Program recipients, will be held on Tuesday, July 25 from 11 AM to 12 PM in the Farrell Learning and Teaching Center, Room 214.

This program provides \$600,000 over four years to support research in chemistry and the life sciences particularly to foster the invention of methods, instruments, and materials that will open up new avenues of research in science.

For program details, please see <http://www.beckman-foundation.org/programs/beckman-young-investigators-program-information>

The Q&A session is intended to help prospective applicants understand the goals of this award program and learn how to prepare applications for the Young Investigator Program.

Letter of Intent Deadline: August 14, 2017
