

## National Science Foundation's Grants Conference Webcasts

The National Science Foundation (NSF) has recorded their Fall 2017 Grants Conference. The webcasts are available via the [NSF Resource Center](#) website. There you will find recordings of the conference's plenary sessions covering the topics of:

- Types of NSF Funding Opportunities
- Proposal Preparation
- Award Management
- Faculty Early Career Development (CAREER) Program
- Merit Review
- Policy Updates

For questions regarding the NSF's webcasts or their conference, you can reach them at [grants\\_conference@nsf.gov](mailto:grants_conference@nsf.gov).
