

## Epic Open Office Hours

*for Clinical Researchers*

The WUSM/BJH Epic1 Research team is building your research records in Epic in preparation for the June 2018 Epic go-live.

We are reaching out to you personally for the next three weeks in order to assist you with this transition to Epic. We will be holding open office hours for anyone who does clinical research to ask questions regarding Epic implementation, and other Epic research related topics.

We are also hoping to gather information about your studies so we can understand your research study requirements. We need to build your study, ordering tools, and Medications in Epic, but we cannot do this without your input.

**Please bring with you:** your Research protocols, medication brochures, paper orders, and questions. We can also help you to complete the Research intake survey that was sent out recently.

### Epic1 Open Office Hours

McDonnell Pediatric Research Building  
3rd Floor Conference Room  
9 a.m. - 3 p.m.

- February 20 & 21
- February 27 & 28
