

Emerson Collective Cancer Research Fund Request for Applications

Deadline: November 8, 2019

The Emerson Collective Cancer Research Fund has issued its second request for applications from Washington University investigators for grants of \$50,000 to \$200,000.

To apply, see the instructions on the attached RFA.

On Thursday, October 10, from 9-10 a.m. **NOTE NEW DATE AND TIME,****** Angel Martin, PhD, Director of Research and Venture Grants, Emerson Collective, will lead a Q&A session in Holden Auditorium, Farrell Learning and Teaching Center.

Oncology research grants from the Emerson Collective are awarded anonymously and are accepted from invited institutions only. *Please do not share this RFP with colleagues at other institutions.*
