SPORE in Leukemia - Career Enhancement Awards

Application Deadline: April 30, 2021

Start Date: July 1, 2021

Up to \$70,000 per year for two years

- **Eligibility:** Junior faculty (Instructor or Assistant Professor) without RO1 or equivalent grant or senior post-doctoral fellows (PhD, MD, or MD-PhD) who have a written commitment from their department chair indicating promotion to Instructor or Assistant Professor by the time of the award also will be eligible.
- **Purpose:** The goal is to recruit and support new independent investigators in the field of translational leukemia research.

SPORE in Leukemia - Developmental Research Awards

Application Deadline: April 30, 2021

Start Date: July 1, 2021

Up to \$70,000 for one year

- **Eligibility:** All faculty members (instructor level or higher) are eligible. In addition, senior post-doctoral fellows who have a written commitment from their department chair indicating promotion to Instructor or Assistant Professor by the time of the award will be eligible. Preference will be given to junior faculty or established investigators with a new translational leukemia research focus.
- **Purpose:** The goal is to support innovative translational leukemia research. Proposed projects will be reviewed with the intent that they will develop sufficiently, within one-two years, to be submitted for external peer-reviewed funding. For projects with a clinical trial, they must be ready for study activation within six months of award.

Applications and additional information for both programs may be obtained by contacting the Administrative Coordinator listed below or by going to the [SPORE in Leukemia website](#).
